MAYOR & CITY COUNCIL OF BALTIMORE, **Plaintiff,** **v.** **PURDUE PHARMA, L.P., *et al.*,** **Defendants.**	**IN THE** **CIRCUIT COURT** **FOR BALTIMORE CITY** **Case No. 24-C-18-000515**

SECOND ORDER EXTENDING TIME TO RESPOND TO REMITTITURS

On June 12, 2025, the Court issued a Memorandum Opinion and two Orders for New Trial and Remittitur, one with respect to each Defendant. Those Orders required Plaintiff Mayor and City Council of Baltimore ("City") to accept or reject the remittiturs ordered no later than July 7, 2025. On June 25, 2025, the Court extended that date to August 8, 2025. The Court today has issued its decision on the abatement remedy, and it previously indicated it would give the City two weeks after the date of that decision to accept or reject the remittiturs.

Accordingly, it is this 8th day of August, 2025, by the Circuit Court for Baltimore City, Part 26, hereby **ORDERED** that both Orders for New Trial and Remittitur issued June 12, 2025 are **MODIFIED** by extending further the date for Plaintiff City to accept or reject the remittitur specified in each Order from August 8, 2025, to August 22, 2025.

It is further **ORDERED** that both Orders for New Trial and Remittitur issued June 12, 2025 are **MODIFIED** by striking the last paragraph of each Order and by providing instead that if a new trial is not needed for either Defendant AmerisourceBergen or Defendant McKesson, then the Court shall enter full judgments including the abatement remedy for both Defendants. If a new trial is necessary against either Defendant, then the Court shall evaluate after that new jury

trial whether the abatement remedy should be reconsidered, including whether any further evidentiary proceedings are necessary or desirable.
